3.3	<u>Club Website</u> A discussion should be held at the next meeting to see who is interested and able to manage the website. It will be used as an external marker and will not require continuous updates. It would be nice for the site to contain a monthly blog covering the shootout for that month and future meeting and event dates.	M.S

4.	<p>Wetlands – January Shootout</p> <p>The shootout to the Wetlands was good and well attended. The lighting was good however it was extremely cold and very busy with approx. 200-300 other people there and a 40minute queue for the café. It was noted that a lot of the wild fowl has left the area and moved up river, however they are expected to return once things settle down.</p> <p>The group would like to return to the Wetlands for a sunset shoot during the summer and G.K asked M.S to keep lines of communication open regarding this.</p>	M.S

The constitution will remain a working document and can be reviewed at future AGM's.</p> <ol style="list-style-type: none"> 1. Add EGM and Special Meetings. 2. Info about Quorum required. The aim of the session will be Long Exposure Photography in an urban setting. Members should meet at the café in the Latin Market at Wards Corner.
